

Transportation Request

Grayson Crisis Center will provide transportation to residential clients on a limited basis and under certain circumstances.

Examples are as follows: doctor's appointment, legal accompaniment, job interview. A transportation request is not guaranteed and cannot be provided if the shelter has limited staff, handling a crisis, or if the request is not deemed necessary. Advocates and shelter staff can also deny transportation if there is a safety concern.

**This form must be completed and submitted
to the staff no less than 24 hours in advance of request.**
